Dear Hyperce,

I am writing to express my interest in the backend (Node.js) position at Hyperce, as advertised on facebook. With a strong background in IT and a passion for web application development, I believe I would be a valuable addition to your team.

Having recently completed my Bsc.IT in Computer System Engineering at ISMT College, I am eager to leverage my education and skills to gain real-world experience in developing web applications. My coursework has equipped me with a solid foundation in web development, research, security, and product development. I have gained proficiency in technologies such as React.js, express.js, mongo dB, node.js, and Next.js, with a particular interest in backend server development using Node.js.

Throughout my academic journey, I have demonstrated a strong work ethic and the ability to meet deadlines both as an individual and as part of a team. I am highly dependable, reliable, and always eager to learn and grow. I am confident that my technical skills, coupled with my dedication and passion for IT, make me an excellent fit for the Backend role at Hyperce.

In addition to my technical expertise, I bring strong problem-solving abilities, effective time management skills, and a collaborative mindset. I am adept at identifying and resolving web application vulnerabilities using tools like Burp Suite. Moreover, my proficiency in HTML, CSS, JavaScript, Node.js, and MongoDB enables me to develop robust and user-friendly web applications.

I am fluent in English, Nepali, Newari, and Hindi, allowing me to effectively communicate with a diverse range of stakeholders and work seamlessly in multicultural environments. I am excited about the opportunity to contribute to Hyperce's success and be part of a dynamic team that shares my passion for technology and innovation. I believe that my skills and enthusiasm align perfectly with your requirements.

Thank you for considering my application. I have attached my CV for your review. I would welcome the opportunity to discuss my qualifications in more detail and how I can contribute to [Company Name]'s objectives. I look forward to hearing from you.

Sincerely,

Satish Prajapati
